"Repose"
80 x 60 cm, oil on canvas, 2011

Hyun Ok Kim was born in Hamyang, growing up in Seoul, Korea. She studied Fine Art at Hongik University, Seoul. Since 1998 she lives and works in Berlin, Germany.

Everyday life is often for someone boring. My whole life, however, consists of everyday lives. The moments of my everyday life therefore are very important for me. In my works I paint the everyday life where my children play, sleep, read, etc. I want to catch such moments. In my works nature is also highlighted. Life in nature is deeply connected with my childhood, when nature was a great comfort to me. Flowers, trees, and unknown plants always give me comfort, pleasure and inspiration. Nature in my works reflects my inner desire.
